

Communication in Action/सकर्म संवाद

It's sixth day, we chose parking area adjacent to Soochna Bhawan and Scope complex as well as the road leading to Pragati Vihar Hostel/ CNG filling station in CGO Complex. Swachhagrahi of Bureau of Outreach and Communication (DAVP, S&DD and DFP) of I& B Ministry also appealed to rehash/patti vendors to become Swachhagrahis and help keep the surroundings clean. BOC officers as Seachhagrahis also appealed to duty manager of CNG filling station to adopt their surroundings and have the same maintained through Shramdan. Earlier on, BOC Swachhagrahis began their Swachhata Pakhwada on 15th September by cleaning the garbage dumped along Barapullah Nala in front of Soochna Bhawana and followed it with cleaning of roads coming from Moolchand through Hemkund Petrol Pump and Electronics Niketan/Scope Complex.
